Bringing Great People Together

LOCAL GOVERNMENT SERVICES DIVISION

Here at Mills Resources, our specialist local government consultants service local government agencies across Western Australia with a strong track record in filling challenging roles quickly and effectively.

As a preferred supplier for the Western Australian Local Government Association (WALGA), our local government recruitment specialists understand public sector processes and the unique skills required to ensure efficiency and adaptability to the ever-changing business climate. In fact, contracts for our temporary placements are often extended beyond the initial assignment; such is the calibre of our candidates and suitability to the role that they are assigned.

We pride ourselves on being flexible, approachable and honest. Unlike many of our competitors we have the capacity to service your needs beyond the traditional nine to five to deliver the best possible service and bring great people together for your business success.
