

MillsResources

Bringing Great People Together

PROPERTY SERVICES DIVISION

Mills Resources' Property Services division provides specialist recruitment of professional, technical and support people with a strong referral basis and candidate pool to fill roles across the breadth of the property sector.

We pride ourselves on placing high quality candidates with high continuity in placements. Our extensive candidate network means your temporary staff needs are met with a choice of quality applications who are readily available at short notice. Our low turnover of candidate placements means you can be assured only the best candidates are sourced and recommended after thorough candidate screening has been undertaken.
