Bringing Great People Together

Ross Stephens

Senior Recruitment Consultant - Accounting

Ross has more than 5 years' recruitment experience within Public Practice Accounting, Financial Planning and Financial Services in Perth. Having built a career in Credit Management in a number of companies across a broad range of industries, Ross has established a strong reputation for providing recruitment solutions for mid-tier and boutique accounting firms.

Responsible for end-to-end recruitment for Public Practice Accountants, Ross has worked alongside Partners and HR Managers in the recruitment and selection of Senior Tax Managers, Audit and Tax Seniors as well as Graduate and Junior Level Accountants. Ross has a reputation for building strong relationships with business leaders, managing key accounts and client needs as well as maintaining strong talent pools of high calibre candidates.

Ross has succeeded where others have failed due to his outstanding people skills and ability to find solutions under pressure. Operating in alignment with Mills Resources' values of Honesty, Integrity and Trust has ensured that Ross's passion for looking after his clients and candidates is second to none.
